The Renter rents the Renter the Car described in detail in the Rental Agreement ("Agreement") under the terms and conditions described below ("Terms and Conditions"), and the Renter accepts the Terms and Conditions forming the basis of the rental relationship between the Parties. The Terms and Conditions accepted by the Renter shall also apply if the Car is changed during the term of the Agreement, as well as in the event of a subsequent amendment to the Standard Terms and Conditions, provided that the amended Terms and Conditions are delivered to the Renter.

- 1. Car Rental.**
 - The Car rented to the Renter is clean and in good condition; it has complete equipment, documents and a single set of keys; it is in good working order, with no physical or legal defects, with a tank full of fuel; it has third-party liability insurance.
 - The Renter is obliged to familiarize themselves thoroughly with the condition of the rented Car and confirm its condition by signing the Agreement. Any reservations as to the condition of the Car should be reported to the Renter before leaving the parking space.
 - 2. Car Return.**
 - At the end of the rental, the Renter shall return the Car with its tank full of fuel (not applicable to persons who have purchased the Prepaid Fuel service referred to in Paragraph 5.3), at the place and on the date as specified in the Agreement, and sufficiently clean to be immediately available for inspection of its actual condition.
 - If the Car is returned to a different branch of the Renter than the branch where the Agreement was signed, the Renter shall pay the One Way fee in accordance with the Additional Fee Table. Returning the Car to another Sixt point in Europe shall be valued at the offer/booking stage every single time.
 - The Renter shall notify the Renter in writing in advance of any changes as regards the Car return place or date indicated in the Agreement in order to obtain acceptance. The Renter, in response to the above, shall:
 - confirm the amount of the One Way additional fee on this account,
 - due to the fact that the amount of the daily rent rate depends on the duration of the Agreement, the Renter shall update the applicable daily rent rate.
 The absence of information about the extension of the car use resulting in charging a fee for another day shall result in charging additional fees depending on the current rate. Moreover, if the Renter is not informed in advance about the return of the car on a different date or at a different location than that indicated in the current agreement, an additional Flexi Return fee may be charged according to the Additional Fee Table.
 - The Renter shall verify, with the care required from an average consumer, together with the Renter's employee, the Car's condition at the time of its return and shall sign a report in a mobile application.
 - The Car shall be returned exclusively to the employee's hands after signing the report in the mobile application.
 - If the Car is abandoned by the Renter, i.e. it is returned in breach of the provisions of Paragraphs 2.1 to 2.5, the Renter shall be liable for any damage to the Car until the Renter learns about the fact of abandoning the Car and its location, and until the Renter is able to collect it, taking into account the working hours applicable to employees of the Renter's nearest branch (the opening hours of the branches are available at www.sixt.pl). The rental agreement shall be terminated when it is possible to pick up the Car according to the procedure described in the preceding sentence.
 - Having completed the rental, the Renter shall return the Car as well as the keys, documents and other equipment issued therewith, in a non-deteriorated condition; however, the Renter shall not be responsible for the Car's normal wear and tear resulting from its proper use. For each day of the Car's immobilization due to a failure to return the keys or documents, the Renter shall have the right to charge the Renter with a stipulated penalty in the amount of a daily rental rate for the Car.
 - 3. Terms of Car Use.**
 - The Renter shall take special care of the Car, including:

 - when the Car's driver is under the influence of alcohol, hallucinogenic medicines, drugs, barbiturates or other substances that impair the driver's awareness and ability to react;

 - each driver under the age of 23 shall be charged with a Young Driver fee according to the Additional Fee Table.
 - the driver may be a person who has a driving licence issued in countries not mentioned in the Convention on Road Traffic (Journal of Laws of 1988, No. 5, item 40, as amended) only if the person has an international driving licence. The Renter shall verify whether the condition provided for in the preceding sentence has been met before concluding the Agreement.
 - The Renter reserves the right to terminate the Agreement and collect the Car immediately if it is established that the Car is used at variance with the Terms and Conditions, as well as in the case where the established circumstances justify a suspicion of a Car theft or its appropriation by the Renter. In the case described in the preceding sentence, the Renter agrees to the Renter providing a declaration on termination of the Agreement by email or in the form of a text message sent to the address or number indicated by the Renter. Costs of collecting the Car necessary for taking the Car to the place of return specified in the Agreement shall be charged to the Renter according to the Additional Fee Table.
 - 4. Payments.**
 - The payment for the rental shall be made after the Car has been checked and the Agreement accounted for by Renter. An amount due is a sum of the rent under the Agreement, additional fees specified in the Terms and Conditions and charges independent of the Renter, incurred during the rental by the Renter's fault and not paid thereby, e.g. a lost parking ticket, etc., which the Renter settles in place of the Renter (excluding traffic tickets). The payment for the rental shall be made once the rental has been completed by collecting a sum from the Renter's credit card account (it is allowed to use a raised debit card to pay for the rental of Mini, Economy, Compact, Intermediate cars) once the Renter has booked the gross security amount.
 - The security shall be established on the day of the rental commencement and shall consist in blocking of an amount including:
 - an interest-free deposit in the Agreement for the entire rental period declared by the Renter;

 - Within the period from 1 November to 31 March, the Renter shall adapt the Car to winter conditions; therefore, a fee in the amount specified in the Agreement (Winter Package) shall be added to the rent amount.
 - If the Car is returned with its fuel tank not full, the Renter shall charge the Renter with costs of the service of filling up the missing fuel according to the Additional Fee Table.  - The Renter may book the service of providing or collecting the Car to and from the Renter for an additional fee according to the Additional Fee Table, provided that the Renter provides a credit card number and complete personal and contact details of a person named as the payer in advance.

 - The Renter shall pay the Renter a stipulated penalty of EUR 500 net in each case when the Renter establishes a breach of the provisions of Subparagraph 3.1.d or Subparagraph 3.2.i of the Terms and Conditions.
 - To enable the Renter to perform a periodic inspection, the Renter shall control the Car's mileage so that it does not exceed the level indicated on the key ring or in the documents provided at the time of handing over the Car, and shall follow messages on the Car's display. The Renter shall inform the Renter of a message about an upcoming periodic inspection appearing on the Car's display, as well as when the Car's mileage approaches the level indicated on the key ring or in the documents provided at the time of handing over the vehicle. In the event of a failure to perform the above obligation making it impossible to carry out the inspection on time, the Renter shall have the right to charge the Renter with a stipulated penalty in an amount depending on the Car group indicated in the rental agreement, specified in the table below:
